# Strings & Brass

PCG Expansion for Korg OASYS ©

OASYS is a trademark of Korg Inc. and Korg USA ADAPT(™)

Die KARO KSB Strings & Brass setzt unsere KPS 3.1 voraus und ist für jeden KPS User ein absolutes MUST HAVE!  
Die Combi-Sounds setzen sich aus unseren KPS Streichern und den Korg Brass & Woodwinds zusammen.  
Somit stehen komplette Orchesterklänge in einer hervorragenden Qualität auf dem Oasys zur Verfügung.  
Dieses Klangniveau ist sonst nur mit vielen Plugins zu erreichen und ein wesentlicher Vorteil der Combis im Oasys gegenüber sonstiger Software ist, dass die Klänge richtig spielbar sind!

KARO KSB Strings & Brass require our KPS 3.1 and constitute a MUST HAVE for every KPS user!  
The Combi sounds are being formed by our KPS Strings and the Korg Brass & Woodwinds and provide quality for the OASYS.  
Such a high sound level can normally only be gained by means of many plugins and represents an essential advantage of the Combis in an OASYS opposite to other software that the sounds can actually be played!
