EXS Expansion for Korg OASYS ©

OASYS is a trademark of Korg Inc. and Korg USA ADAT(™)

Was lange währt, wird endlich gut! Das lehrt uns schon der Volksmund. Nun ist es endlich soweit: Die seit langem angekündigte KARO Symphonic Library KSL für den OASYS ist fertig.

Vor mehr als einem Jahr haben Kurt Ader und Oliver Rehn das Orchester des Nationaltheaters Mannheim zu aufwändigen Aufnahmen gebeten. Alle bedeutenden Register wurden eingespielt und mit dem OASYS aufgezeichnet, solistisch, in kleinen und in großen Besetzungen. In monatelanger liebevoller Arbeit haben Kurt Ader und Peter Jung daraus die KSL mit 256 Performances und 640 Programs entwickelt.

Die KSL klingt barock, klassisch, romantisch und modern zugleich. Mit der KSL für den OASYS gelangen lebendig und realistisch klingende Filmsoundtracks auf höchstem Niveau genauso wie Ihre professionellen Interpretationen von Bachinventionen, Beethovensymphonien oder Grieg-Suiten. Wir sind sicher: selbst Mozart hätte seine Freude an der KSL gehabt.

Und wieder einmal stellt Pit Loew und Peter Jung eine Reihe der Klänge unserer neuen KSL in insgesamt 15 kurzen orchestralen Sequenzen im Format MP3 vor und zeigt, was die KSL vermag. Wir glauben, dass sich unsere Mühen wirklich gelohnt haben. Hören Sie selbst!

Good things come to those who wait! Nothing but this well-known idiom can express our feelings at the moment. Finally, KARO proudly introduces the brand new KARO Symphonic Library KSL for the OASYS, which has been announced for a long time.

More than a year ago, Kurt Ader and Oliver Rehn invited the Orchestra of the Nationaltheater Mannheim for elaborate recording sessions. All important orchestral registers were selected and sampled with the OASYS, soloists and small as well as large orchestral lineups played for us their finest sounds. In months-long affectionate work Kurt Ader and Peter Jung developed the KSL out of these recordings finally fielding 256 Performances and 640 Programs of superb quality.

The KSL sounds baroque, classically, romantically and modern, all at the same time. Now, with the KSL you can compose and play lively and realistic movie sound tracks with top quality sound or have your personal professional interpretations of Bach Inventions, Beethoven Symphonies or Grieg Suites within the reach of your OASYS keyboard. We at KARO are certain: even Mozart would have loved his KSL.

Again, it has been Pit Loew and Peter Jung presenting a lovely selection of the sounds of our new KSL in fifteen short orchestral MP3 and showing what KSL is able to provide to you. We believe that our efforts have been really worthwhile. Now, it's your turn: hear!
